Additional options:

Trailer parking \$15 a month

**Easy access level gravel lot that is plowed all winter so you can easily get your trailer out in an emergency. Showtime farms also offers hauling to events and emergencies for owners that do not wish to keep a trailer on site.*

Supplement feeding \$15 a month

**Rodent proofed organized supplement area. Employees are trained to feed the right amounts of supplements and medications and also monitor supply levels. Charging for this service allows us to make sure supplements are done right, minimalizing waste and maximizing effectiveness. Have your smartpaks shipped directly to showtime and automatically refilled. No charge for feeding your own supplements.*

Blanket service \$30 a month

**Daily blanketing and unblanketing for turnout. Can be pro rated for partial months. Horses will be blanketed for turnout and unblanketed or re blanketed with the lighter weight blanket of your choice when they come in. For horses that wear the same blanket inside and out or that do not wear a blanket there is no charge. Employees are trained to*

monitor blankets for proper fit and damage, make adjustments as needed, and let you know if a replacement is necessary.

Grain service for Pasture horses \$50 a month

*Horses are brought indoors daily and fed grain and any supplements/medications if specified and then turned back out. Employees are trained to do a visual body and health check during this time and contact you if there are any injuries or issues present as well as changes in eating habits.
